¹ Pub. L. 111-203, sec. 1473, 124 Stat. 1376, 2190 (2010).

States seeking to register AMCs must have an AMC registration and supervision program. Twelve CFR §34.213(a) requires each participating State to establish and maintain within its appraiser certifying and licensing agency a licensing program with the legal authority and mechanisms to: (i) review and approve or deny an application for initial registration; (ii) periodically review and renew or review and deny renewal of an AMC's registration; (iii) examine the books and records of the AMC operating in the State and require the AMC to submit reports, information, and documents; (iv) verify that the appraisers on an AMC's panel hold valid State certifications or licenses, as applicable; (v) investigate and assess potential violations of applicable appraisal-related laws, regulations, or orders; (vi) discipline, suspend, terminate, or deny the registration renewal of an AMC that violates applicable appraisal-related laws, regulations, or orders; and (vii) report an AMC's violation of appraisal-related laws, regulations, or orders as well as disciplinary and enforcement actions and other relevant information about an AMC's operation to the ASC.

Twelve CFR §34.213(b) requires each participating State to impose requirements on AMCs that are not owned and controlled by an insured depository institution and not regulated by a Federal financial institutions regulatory agency to: (i) register with and be subject to supervision by a State appraiser certifying and licensing agency in each State in which the AMC operates; (ii) engage only State-certified or State-licensed appraisers for Federally regulated transactions in conformity with any Federally related transaction regulations; (iii) establish and comply with processes and controls reasonably designed to ensure that the AMC, in engaging an appraiser, selects an appraiser who is independent of the transaction and who has the requisite education, expertise, and experience to competently complete the appraisal assignment for the particular market and property type; (iv) direct the appraiser to perform the assignment in accordance with Uniform Standards of Professional Appraisal Practices (USPAP); and (v) establish and comply with processes and controls reasonably designed to ensure that the AMC

conducts its appraisal management services in accordance with section 129E(a)-(i) of the Truth in Lending Act, 15 U.S.C. 1639e(a) through (i) and the regulations thereunder.

Burden: 1 respondent; 1 response per year; 40 hours per response; 40 total burden hours.
